

WHAT YOU NEED WHEN YOU NEED IT

Why ask your competition for a quote, when LCOMP is your partner to help you expand your product offering to your customers?

With a broad stocking portfolio of products that include Phoenix Contact, IDEC, Honeywell and Pepperl+Fuchs, to name a few, we can help you capture more sales. We have a dedicated sales team specifically to support your requests quickly and efficiently. We'll work with you on any opportunities to help you sell more products to your customers. By expanding your line card, you are keeping your competition out and giving your customers a single place to order more products, saving time and money.

300+
Stocked
Suppliers

Partner

Our Value Proposition:

- » Over 17,000 parts stocked in Little Rock, AR
- » 300+ stocked suppliers to help satisfy your customer's needs
- » 30,000 line items shipped monthly, 1,500 line items shipped every day
- » Dedicated Inside Sales Team that focuses only on Distributors
- » We track our On Time Delivery and Quality to ensure best in class service
